**Sentiero Toscano** offers extra virgin olive oil produced in Italy by a company with three generations of masters in the art of olive oil production.

**Italian Extra Virgin Olive Oil SUPERIORE** is obtained from a monocultivar from the hills of Lucca and preserves all the aromas and flavours of the Tuscan land. This label is awaiting registration by the IGP Toscana protection consortium.

**Italian Extra Virgin Olive Oil** is the result of a selected blend of Italian cultivars and makes a well-balanced oil ideal for Mediterranean cuisine.

Our extra virgin olive oil is cold pressed, filtered and immediately bottled to preserve its organoleptic properties.
